

"The Peacemaker"

March 16, 2017

Dear St. Rita Family,

As we reflect during the season of Lent, we try to work on those goals that we set on Ash Wednesday. I heard recently, that we should not be discouraged if we slip and forget to do our goal one day. Each day is an opportunity to start over.

Praying is a way for us to get the help to live up to those goals. God does not expect us to be perfect or expect that we will never make mistakes. When we fail, God asks us to try again to work toward doing better.

Each Friday, we have been praying the Stations of the Cross. We hear the story of how Jesus suffered and died for us. It is reminder of His incredible love for us. Our response should be a desire to do our best to follow in His footsteps by loving Him and loving others.

Let us remember to pray for all our St. Rita family members.

God bless,

Bette Faxon

Megan Bennett, and Molly Lentz.

A special thank you also to Alumni Parents: Tom Colwell, Lynn & Jeff Fechner for helping to cook all day and evening.

Our final numbers are not ready until we do all of our returns for unused beverages.

FUND-A-NEED: Each year, we do a special event called the Fund-A-Need. We choose a special purchase to improve our technology program. For several years, we have purchased our Smartboards. The Smartboard is a great way to support our curriculum and instruction. At this time, we have negotiated a discount price to purchase another board. Our goal Saturday night was \$2,000.00 and we made it! There will be some additional costs with the purchase for set up and installation.

If you were unable to attend Saturday night but would still like to contribute please send a donation to the school office in an envelope marked "Fund A Need".

Thank you to all who attended the 'Green and Gold'. We had parents, grandparents, parents of alumni, parish members and many friends who believe us when we say "It's All About the Children!"
