

“Glory Be to the Father
&
to the Son
& to the Holy Spirit”

“The Peacemaker”
March 2018

Dear St. Rita Family,

Each day, at the end of the day we recite the “Glory Be” as a school community. We give thanks for all that God has provided for us. We thank you for giving us the opportunity to work with you, the parents, as partners in the spiritual and academic formation of the children. As a faculty, we strive to provide an environment where students feel nurtured and cared for as part of our day to day experience. It is also expected that our students will share that caring attitude with each other.

“Change” can be difficult for all of us. Learning to give up negative things that bring about positive changes should give us the sense of hope. When we think of the term “Conversion”, we think about a person joining or entering into the life of the church. There is also an experience of ongoing conversion. We look for ways to deepen our faith and draw closer to God. When we see the importance of living our lives more closely connected to the Lord, we have the opportunity for a “New Beginning.”

During the next few weeks our school students will have the opportunity to go to Reconciliation. It is a time for reflection to seek ways to draw closer to God by our actions towards others. Children will be asked to do an Examination of Conscience in a religion class to reflect on ways they may have forgotten to do good things and think about how to improve.

As adults, we should also be ready to reflect and examine our actions and intentions. Let us work together to build up God’s kingdom.

Sincerely,
Bette Faxon
